

The Club Has a New Look:

Welcome back to a new year at LBCC.

The Clubhouse has been cleaned and slightly remodeled. The dining room has a new look. It has been painted red, woodwork has been restrained (along with the rest of the rooms of the clubhouse), and new curtains to add a new vibrant image to the dining atmosphere. The Card room has new wall decorations. The clubhouse doors have been repainted. The clubhouse office has been remodeled with a new desk to provide more efficiency for office procedures. The Library downstairs has also been remodeled and is now dedicated completely to the members. It is now smoke-free and has a reading area with desk & a lamp.

Come and see the new renovations, and have a wonderful new year at the club.

ATTENTION FISHERMAN

Lake Bracken is thinking about introducing some new fish species into the lake. These would be Red Ear Sunfish, Walleye, and Muskie. Your input would be appreciated.
