Phil's Clubhouse News

It's already July, the fireworks will be on July 3rd with a rain-date of July 4th, so the dining room will be closed the 3rd & 4th.

Signup sheets will be up for the street dance, which will include live music, finger foods, and special drinks.

As always the restaurant has been busy. If

you missed the Italian buffet, you missed a very good one; however, we will do it again and give the people that missed it a second chance.

I have collected a quite a few e-mail addresses from a lot of you, but there are many of you missing the boat on special food and golf

events so please remember to sign up at the clubhouse.

You'll notice 2 couples golf this month, the dining room will be open from 5-6:30 both evenings.

Please notice the dress code info on the front page.

News from the Women's Golf Association

A new format this year for the WGA, Invite A Member, was held on Tuesday 6/12/07. Current members of the WGA invited members of LBCC who were not members of the association. A great time was held by all who participated. New members of the WGA were welcomed. We continue to encourage the ladies of Lake Bracken to come and play on Tuesdays. Golfers of all skill levels are welcome to come join us for a morning of fun while we play different games and enjoy one another's company. There

are also 4 weekend events for all members of the WGA.

For more details, contact of the members of the WGA or any of the officers — Karen Gonyea, Marilyn Malley, Jeanne Thomas, or Karen Dillman. Other June events included the Senior Men's Invitational and Ladies' Guest Day. July events include the Victory Tournament which supports women's golf teams at all seven Illinois public universities.

The WGA is also sponsoring a fund raiser raffle for a free putter in the pro shop. Pro-

ceeds from the raffle defray the cost of WGA events and help various events. Raffle tickets will be sold at various events over approximately a 4 week period (drawing is the second week in July). Thank you to all who have already supported this raffle.

Pool News

June has come and gone, and the pool is still running well. Upcoming events include the midnight swim immediately following the fireworks on July 3rd, and the festivities at the pool on the 4th. There will be some sort of activity going on every hour on the fourth of July. Examples include: balloon toss, diving board competitions, watermelon games, relay races, and more. Come by and enjoy a refreshing swim over the holiday.

2 side notes:

- 1) Swimnastics sign up will be up at the pool. If you are interested, they will be in the early evening, with days of the week to be decided later. Sign up if interested.
- 2) I do have a concern with the picnic shelter next to the pool. It seems that the amount of trash left at the shelter has increased significantly. My Lifeguards have done a good job of cleaning this shelter every night, but I ask that the families that use this shelter to please be more cognizant of their trash by using the trash cans located next to the shelter. This is your shelter, so lets do a better job of keeping it looking nice for everyone to enjoy.

Thanks for you time,

Jake Miller

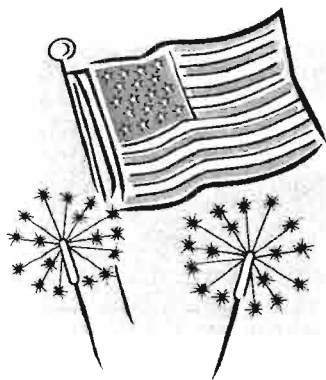

Pool Manager
