# Clubhouse News

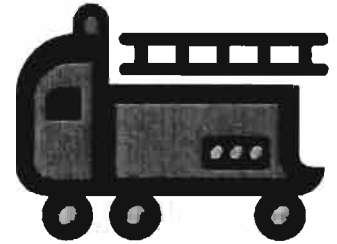

Welcome back to a new year at LBCC.

The Clubhouse has been thoroughly cleaned. The walls & woodwork washed, the carpet shampooed, and the kitchen was cleaned and slightly rearranged. The clubhouse is now completely smoke free and there is no smoking within 15 feet of any clubhouse entrance as of January 1st. The bar ceiling tile has been cleaned and repainted due to the new smoke free environment. All the employees have been working very hard & are prepared an exciting new year at Lake Bracken.

## Message from Chief Howard

All's quiet on the home front. We have had a couple of calls, but it has been relatively quiet. We will be adding a second truck to our stable in about 2 month's. This will be a great thing for the Lake Bracken area. This also shows us the dedication the Abingdon Fire Protection District has extended to us. Things are very positive in our district. We also have a new district chief. Our new district chief is Greg Schisler, and our new assistant chief is Todd Thompson. Both guys have been assistant chiefs in our district and they will make excellent leaders for the future. Give them both best of luck next time you see them. Bill Peterson has retired from the district chief position after 35 years of total service. Next time you run into him let him know how much we appreciated his service!

From all of your LBCC firefighters, be safe!

## Entertainment Poll

Just a random poll from your entertainment chairman. Last year we did some guest chefs', a martini night, carriage ride, bocce ball, street dance with a corn boil, and Sam and Peggy Mangieri put on a Lake Bracken Jeopardy night. I would like to know what your thoughts are on what we did in the past year. Our New Years' celebration was down on attendance this year and I would like to know if you would like to see some changes. Please let me, Mary, Rebekah, Mark

or someone on the board know if you have some idea's. Remember, we want to create as much fun and entertainment as we can throughout the year. I personally thought that the Mangieri's did a great thing with the Jeopardy night! Everyone who attended thought it was a scream! I would personally like to thank Sam and Peggy for that night of fun and would hope that they might entertain doing that again for us. Again, please let some of

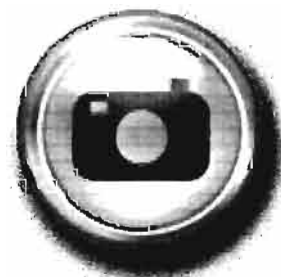

the staff or myself know what you would like to have for activities this coming year. I personally like the luau, and the street dance. Both had fairly low attendance and I would like to know if we should stop doing those events or if there are some things we can do to get the attendance up in the future? Thanks for your input!

Mike Howard

## Photos at the Clubhouse

We have some photos from the Kids Halloween Party, the Women's Wine Outing, the Poker Run, and the 2007 Swim Team that have been on display at the clubhouse. Members may have these. Please contact Rebekah in the office or Mary in the Dining Room to look at them and take what you would like.
