## News from the Clubhouse

Greetings from Lake Bracken! We have had several weekends with a lot of activity on the lake – ice fishermen, snowmobiles, four-wheelers, ice skaters and people just out for a walk on the ice.

Now the snow is quickly disappearing. All of us at the Clubhouse are definitely ready for more activity and anxious to renew friendships with those of you we have not seen over the winter so come out to the Club.

We have had some staff changes.

Carol Dawkins has left Lake Bracken for another job in Galesburg so we are in the process of hiring a new Clubhouse Manager.

Jeff Current is our new chef and is doing a fantastic job. He comes to us with 20+ years of food and beverage experience, having previously worked at Martini's in Burlington, Iowa and Generations Restaurant at Monmouth Country Club just to name a few. Jeff, his wife and two daughters live in Monmouth. He is working on a new menu and will have it up and running once he and the new Clubhouse Manager confer. Our first two Friday buffets were outstanding – lots of variety, some new items, and homemade soups the members raved about.

# A Message From Chief Howard

I just saw a robin the other day. You know what that means. I am happy to say we have had a very quiet winter at the Fire Station. As cold as it has been we usually have a chimney fire or a fire related to a portable heater. Keep up the good fire prevention at home! During spring clean up remember to keep fires in a safe area. We would like to thank Cory Bizarri and Ron Patterson for helping get our station started! They have chosen to retire. Next time you see them tell them thanks for their service. Also we would like to welcome the new replacements, Troy Carr and Matt Pogue. Give them a big welcome aboard next time you see them. Thanks from all the fireman at LBFD!
